Add Product Training

- 1) If training is not showing you can select 'Add Product Training' on the left hand navigation bar.
- 2) Enter the **National Life / LSW Product Code: 'NLGANN' / Select 'Submit'**
- 3) The carrier-specific training should now be visible either on the left-hand navigation bar or the Producer Status screen for you to select and complete. You can add individual courses using the RegEd Number below in the 'Product Code' box below if they do not show on your record to complete
- 4) The NLG Product Training types and the RegEd number that corresponds to it are:

<u>Product Type</u>	<u>RegEd Number:</u>
○ Group Annuity Product Training Includes Secure Plus Benefit Access Products	11NLG_01
○ SecurePlus Preferred 8	11NLG_02
○ Group Annuity Product Training NY	11NLG_03 (If selling NY Products)
○ SecurePlus Flexura 5 (formerly Paramount 5)	12NLG_01
○ SecurePlus VIP	12NLG_02
○ SecurePlus Flexura Plus (formerly Reliance)	14NLG_03
○ SecurePlus Accumulator Prime-Pro-Choice and	
○ SecurePlus Income Income Prime-Pro	15NLG_01
- 5) Product training takes about 35-45 minutes to complete. There is no test; it is product information you need to know. 11NLG_01 is the longest course. We highly suggest you take **all** courses assigned to you in RegEd so there is never a question of compliance when submitting new business.
